Friends,

I want to congratulate Dominican Sunday on the incredible contributions that they have given to the residents of The Manhattan Valley and Morningside communities for over twenty years.

The work of Dominican Sunday toward the betterment of our community since its inception is incredible. Through the decades, Dominican Sunday has provided community members with essential services that have assisted them to become active players in the legal, social, cultural and civic fields. Dominican Sunday has shown a commitment to address issues such as education, immigration and career development, with programming being offered in English and Spanish, which is reflective of the community that they serve.

Dominican Sunday has proven itself to be a space where members of the community have access to important services such as citizenship classes, academic advisement, youth development, employment training, computer classes and housing advocacy programs. The work that Dominican Sunday has done to support our community has not gone overlooked and I look forward to continuing our incredible work together.

I also congratulate this year's honorees, Gabriela Estrella, Miosotis Muñoz, Jannette Malloy, Johanna Garcia, Dr. Casilda Balmaseda, Ofelia Rodriguez, Dr. Rosa Yolanda Pineda, and Fresia Olivero for their commitment to serving our community.

Dominican Sunday has demonstrated an incredible dedication and commitment to serving residents of northern Manhattan. Again, on behalf of my office and the many people within our community that it cares for, I congratulate Dominican Sunday and offer my most sincere gratitude for their service both now and in the years to come.

Sincerely,

A handwritten signature in black ink that reads "Mark Levine".
